OF THE ARTS

One easy and immediate way you can help VCA is by signing and returning this pledge of support. Pledges received will be published on savevca.org and in a print advertisement planned for 2010.

I _____ (full name)

of _____ (organisation)

wish to pledge my support for:

- The retention of the Victorian College of the Arts (VCA) as an elite arts training institution with a focus on intensive, practical, studio-based training.
- The immediate reversal of the 2005 Federal Government's \$5m p/a funding cut to VCA.
- The immediate reinstatement of the VCA Puppetry and Music Theatre programs which were suspended in 2009.
- The need for a full and independent review of VCA funding, curriculum and staffing in order to produce a blueprint for VCA's future which considers all stakeholders including students, staff and arts business.
- A commitment from the University of Melbourne that there will be a freeze on all further changes until the abovementioned review is complete.
- Active involvement by both the Victorian State and Federal Governments to ensure Australia's cultural and arts business landscapes are not adversely affected by changes to VCA.

Please sign within the square above.
